

TRILLIAN TRUST INC . . . SERIOUS ABOUT YOUR COMMUNITY

In the three months ending 31 October 2005 the Trillian Trust distributed \$1,264,293 in Grants to a wide variety of charitable, educational, cultural, and sporting organisations, as listed.

The funds distributed were generated from the operation of gaming machines at our member venues located as far north as Paihia and far south as Blenheim. The bulk of the grants were returned to the community from where the funds were raised, with some funds being provided to national organisations.

All applications received are considered by our grants committee. All grants must be on the official Trillian Trust application form. Organisations who wish to apply can request an application form by contacting the Trust directly or can collect a form from one of our member venues.
