

TRILLIAN TRUST INC

SERIOUS ABOUT YOUR COMMUNITY

In the three months ending 31 October 2006 the Trillian Trust distributed \$1,525,471 in Grants to a wide variety of charitable, educational, cultural, and sporting organisations, as listed. The funds distributed were generated from the operation of gaming machines at our member venues located from Paihia to Blenheim. The bulk of the grants were returned to the community from where the funds were raised, with some funds being provided to national organisations.

All applications received are considered by our grants committee. All grants must be on the official Trillian Trust application form. Application forms can be downloaded from our website, collected from one of our member venues, or you can request one to be sent from the Trust directly.
